Notes:

Permanent Electronic Meeting (PEM). An electronic meeting registered with WSO as part of the Global Electronic Area (GEA), or the Colorado Area. The GEA groups are not listed in the WSO Meeting Finder tool, but are listed in the AI-Anon.org website's "Electronic Meetings" drop down menu. Colorado Area groups are listed In the AI-Anon website Meeting Finder application.

Temporary Electronic Meeting (TEM). Formerly a Face-to-face meeting that has registered with WSO as a geographically based meeting with Temporary Electronic Meeting status, Or an Electronic Meeting Component that has broken off from its formerly associated Face-to-face Meeting. Not registered with the WSO. Yet.

The Colorado Area established the framework for accepting Electronic Groups into the Colorado Area Service Structure. It was approved at the Spring Assembly In March 2023. WSO set a one-year window for Unregistered Electronic Groups to register with them by June 2024. After that time, any unregistered electronic groups will not be recognized, nor receive support from the WSO.
