TWELVE STEE

- We admitted we were powerless or alcohol-that our lives had become unmanageable.
 - Came to believe that a Power greater than ourselves could restore us to sanity.
 - Made a decision to turn our will and our lives
 - Made a searching and fearless moral
 - Admitted to God, to ourselves, and to another
 - Vere entirely ready to have God remove all
 - Humbly asked Him to remove our shortcomin

- Made a list of all persons we had harmed, and became willing to make amends to then all.
- Made direct amends to such people wherever possible, except when to do so
- Continued to take personal inventory and when we were wrong promptly admitted it.
- 11 Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the powe rany that out.
- 12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to others, and to practice these principles in all our affairs.

TWELVE TRADITIONS

- Our common welfare should come first, personal progress for the greates number depends upon unity.
- 2 For our group purpose there is but one authority—a loving God as He may express. Himself in our group conscience. Our leaders are but trusted servants—they do not govern.
- The relatives of alcoholics, when gathered together for mutual aid, may call themselves an Al-Anon Family Group, provided that, as a group, they have no other affiliation. The only requirement for membership is that there be a problem of alcoholism in a relative or friend.
- Each group should be autonomous, except in matters affecting another group
- or AL-Anon or AL-as a whole:

 S. Each ALI-Anon Family Group has but one
 purpose: to help families of alcoholics.

 We do this by practicing the Twelve Steps
 of AA ourselves, by encouraging and
 understanding our alcoholic relatives,
 and by welcoming and giving comfort to
 families of alcoholics.
- Our Family Groups ought never endorse, finance or lend our name to any outside enterprise, lest problems of money, property and prestige divert us from our primary sprittual aim. Although a separate entity, we should always co-operate with Alcoholics Anonymous.
- Every group ought to be fully self-supporting
- Al-Anon Twelfth Step work should remain forever non-professional, but our service centers may employ special workers.
- Our groups, as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
- The Al-Anon Family Groups have no opini on outside issues; hence our name ought never be drawn into public controversy.
- 11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, films, and TV. We need guard with special care the anonymity of all AA members.
- Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles above personalities.

TWELVE CONCEPTS OF SERVICE

- The ultimate responsibility and author for Al-Anon world services belongs to Al-Anon groups.
- The Al-Anon Family Groups have delegated complete administrative and operational authority to their Conference and its service
- The right of decision makes effective
- 4. Participation is the key to harmony.

- The Trustees have legal rights while the rights of the Conference are traditional.
- The Board of Trustees delegates full authority for routine management of Al-Anon Headquarters to its executive committees.
- Good personal leadership at all service levels is a necessity. In the field of world service the Board of Trustees assumes the primary leadership.
- Service responsibility is balanced by carefully defined service authority and
- The World Service Office is composed of selected committees, executives and staff members.
- The spiritual foundation for Al-Anon's world services is contained in the General Warranties of the Conference, Article 12 of the Charter.

GENERAL WARRANTIES OF THE CONFERENCE

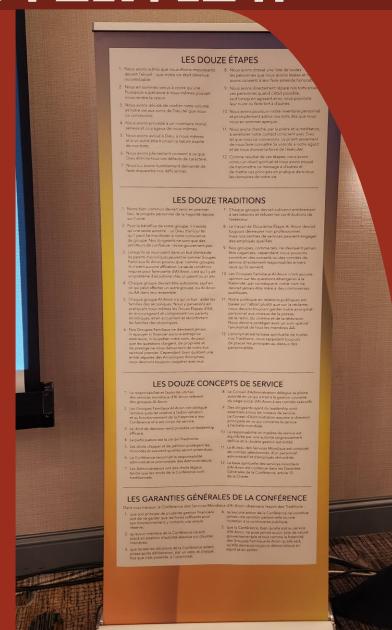

- In all proceedings the World Service Confe 1: that only sufficient operating funds, including an ample reserve, be its prufinancial principle;

 Al-Anon Family Groups which it serves, it
 shall always remain democratic in thought
 and artion.

Unique DIFFERENCES

OPTION ONE:

 Would incorporate the Regional voice heard through the Regional Committee on Trustees into the redefined composition of the Conference Committee on Trustees, which would include Regional representation

OPTION TWO:

None

□ OPTION THREE

- First, no Regional Committees on Trustees would be formed
- Second, Regional input would be requested only for candidates who are selected for interview by the Board rather than for all Regional Trustee applicants

UNIQUE DRAWBACKS

OPTION ONE:

None

OPTION TWO:

 Would create redundancy of applicant scoring between Conference Committee on Trustees and Regional Committee on Trustees

OPTION THREE

None

SIMILAR IMPROVEMENTS

OPTION ONE & TWO:

 Would offer Regions the opportunity to express approvals or objections to candidates in a similar way, and at the same time, for all candidates from each Region, rather than just Regional Trustee applicants.

DOPTION ONE & THREE:

- Would eliminate Staff need to facilitate, and some years for Delegates to participate in, two sets of Nominating Delegate Committees
- Would eliminate the need to form RCTs and efforts to schedule training, which have proven difficult historically

OPTION THREE

Expands opportunity for Regional feedback to all candidates from each Region

DISCUSSION AND ADDITIONAL OPTIONS

- ☐ If you agree a single process could be a good thing, but don't like the options, do you have another suggestion?
- ☐ Please let me know your preference as I will take it to 2026 WSC

GROUP LISTING POLICY

Policy: Local Services To make the following changes to the "Local Services" section of the "Policy Digest" of the 2022-2025 Al-Anon/Alateen Service Manuel (P-24/27) v 4(a):

- ☐ No service arm has the authority to close a group.
- "Meeting List Publishing" section states that the WSO will not de-list (remove groups from the meeting list) unless
 - that Area has a policy in place that states the parameters to de-list and
 - then has an appeal process for groups to get back on the list.
- ☐ This policy cannot violate the Warranties; it can't be punishing.

KEYTAKE-AWAY:

Our Area does not have a policy. I presented this at the AWSC and I am seeking your input on whether you think our area could use such a policy

CHOSEN AGENDA ITEM #1

Service Participation in the Electronic Hybrid Age

CAI:

Is electronic meeting dominance resulting in loss of fellowship and participation; is face-to-face meeting participation the only avenue for moving toward service commitment participation?

RATIONAL:

While virtual meetings originally helped overcome obstacles for pandemic Al-Anon recovery, possible drawbacks emerged such as a burgeoning breakdown in quality fellowship, retention of members, continued long-term recovery, mutual aid, and reduction in spontaneous interaction among members which may ultimately lead to lessening service commitment participation. Is Zoom meeting incorporation helping or hurting?

KEYTAKE-AWAY:

Let's be creative! Are there opportunities to use online meetings for online workshops, holiday meeting marathons, group step studies or fellowship?

Chosen Agenda Item #2

ATTRACTING AND RETAINING **AL-ANON MEMBERS IN** THE 20- TO 40-YEAR-OLD RANGE

RATIONAL:

The 2021 Membership Survey reported the average age of members to be 62.5 years. On average members attended their first meeting at 44.1 years old. How do we not only attract members in the 20- to 40-year-old range to meetings but also encourage them to keep coming back when the current members of the meeting are older.

By accepting electronic Alateen groups using this framework, any teen within our World Service Conference Structure could choose to participate in any electronic group once they register

Al-Anon members might be afforded additional service opportunities to safely support teens wishing to attend electronic Alateen meetings

Teens would have many choices and opportunities to safely attend meetings where experience, strength, and hope is shared as a result of being affected by someone else's drinking.
