

## **Is Your Al-Anon Group Moving from a Physical Location to an Electronic One?**

If so, we're here to make the process simple and supportive. You can update your meeting information on [al-anon.org](http://al-anon.org)

Visit the Members menu and go to Group Resources > Group Records. From there, select the Al-Anon Electronic Group Change Form > Change Online, and submit your group's updated details.

Updating your meeting details helps ensure your group's information remains accurate and accessible to newcomers and members seeking Al-Anon's help.
