

Stay Current with WSO News

Did you know the World Service Office (WSO) has a free email newsletter?

In The Loop makes it easy for Al-Anon members worldwide to stay informed about events, service opportunities, new resources, and highlights from Conference Approved Literature (CAL).

What started long ago with Lois W. mailing letters to early Al-Anon groups has evolved into a modern, multilingual newsletter—available in English, Spanish, and French.

Delivered twice a month (plus special editions), it's the easiest way to stay connected.
