Goals for behavior and participation for trusted servants who are reimbursed to attend Area events including Assemblies, special events, and SWRDM.

I have heard some people complain about behaviors of people who are reimbursed for attending Assemblies and SWRDM. I, myself, have not always displayed behaviors based on spiritual principles.

3.) **Historical Background Information:** Include any available background information on the topic. Sources could include, but are not limited to, World Service Office (WSO), Area World Service Committee (AWSC), Group Records, Conference Approved Literature (CAL), the *Al-Anon/Alateen Service Manual* or past Area/AWSC minutes, that may include relevant past motions or discussions related to the topic. Please attach a copy of any past presentation or report that may be relevant.

Discussion at budget meetings always includes the question of why we spend so much money sending people to SWRDM. If a thought force were assigned to help focus on goals for behavior and participation at these events we could all hold ourselves accountable to a clearly defined set of standards.

**4.) Did you search for the answer in the *AI-Anon/Alateen Service Manual*?**
